Events and Hospitality Menu

At Brew & Bake we work with local suppliers and use the freshest ingredients to provide tasty and nutritious menus to meet all your hospitality needs, whatever the occasion, including:

- Work-based meetings
- Civic and corporate functions
- Conferences
- School-based events such as teacher training days, Christmas parties, proms and sports days
- Celebration events such as children's birthday parties, weddings, christenings, retirements and significant birthdays, as well as sombre occasions, such as funerals

All our menus can be adapted to meet your specific requirements, and we are happy to develop new menus as necessary. Vegetarian and Vegan options are always available, and we can also cater for individuals with special dietary requirements. Information on food allergens is available on request.

How to order

Simply select from our range of menus and email us on **BrewandBake@sunderland.gov.uk**

Alternatively, you can contact us by phone on **07500 993620** to discuss your specific requirements.

Ideally, we would like at least 48hrs notice of your catering requirements. If you order within 48hrs of your event there may be an additional charge. Once you have ordered we will require 48hrs notice to cancel otherwise you will be liable for the full cost.

On occasion there may be a small additional transport charge added, dependent on location of event and if there are very small numbers to cater for. This will be clarified at time of booking.

All prices quoted are inclusive of VAT.

“One final positive comment from all of us, the catering for the volunteers and service staff was exceptional, without doubt the best catering I have encountered while volunteering at any event”
